### IV.B. FOCUS AREA within Global Studies (minimum 24 hours)

Title: International Health

NOTE The focus area is made up of courses drawn from one or more disciplines, departments or programs, with a single coherent emphasis, such as: German Studies; Francophone Studies; Latin American Studies; African Studies; Development and Globalization; Peace, Conflict, and Human Rights; Judaic and Holocaust Studies (for other potential focus areas, consult the director). Students may create their own focus area if the university offers courses sufficient to support it. The focus area requires careful planning, and students are encouraged to develop their programs of study early in their academic careers in consultation with their advisor, who must approve all courses for this requirement. **At least 15 s.h. of this requirement must be at the 3000 level or above.**

Credit hours from study abroad or international internship may be used in the student's focus area, as appropriate. Courses counted towards the **Global Studies core** requirements may **NOT** be counted in the focus area. Copies of each student's program of study, signed by the Global Studies Director as well as the advisor, must be on file in the University College Academic Advising Office.
